

Kurt,
I'm glad that I met you & I
think you're a very nice person.
I'm sorry for all the times
that I got you in trouble but
we both know that it was
always your fault. I hope that
I see you sometime during
the summer. Be good and
don't get into much trouble
or at least don't get caught.
"19" Love, Linda Rivera

Kurt,
It was a lot of fun in track this
year. Too bad you got hurt, otherwise
you would have been one of the best
runners in league. Hope you run
Cross-Country next year so I can
come back and see you run. Remember
the faster you run, the more women,
wine, money and fame you'll get.
See you next year.
Steve Neely

Kurt,
It's been really
nice knowing
you this year and
hope to see you again
next year have a
great summer Love Cyndie

KURT GASSET

Kurt,
It's been nice knowing
you. Hort's was fun but
it did have its hang ups.
Have a bit then summer.
Good luck next year.
Be good. Love Always
Cyndie

In 1956 when Rancho first opened its doors there were none of the traditions that we have today. There was no fight song, no cheerleaders, and no symbols for us to look to. While this year was a beginning for Rancho it was a year of changes for our railroads. This was a time when the large railroads were shifting from steam engines to the modern diesel engines that we use today. Following the examples of U.S.C. and U.C.L.A. Mr. Slingsby, who was the Pep Club advisor at the time, saw the opportunity for Rancho to acquire its own victory bell. Following letters to several railroad companies a reply was received from the Grand Central Railroad of New York. They agreed to donate a bell to Rancho from one of their old steam powered engines that was due to be scrapped. The bell arrived early in 1957 but remained in storage for over a year. Then, with the assistance of the Industrial Arts department and the head custodian, a cart was made to carry the bell to various events. The bell was used in this fashion until four years ago when it was again put into storage. It remained there until this year when it was "re-discovered." Through Senior Advisory and with assistance by John Callard it was decided that a monument would be built to permanently house the bell in the quad. As a Senior Class project the bell and its housing will be dedicated to the graduating class of 1976.

Honor Guard, Banner Girls, and Majorettes . . .

join the Marching Band and Drill Team during Rancho's halftime entertainment. With batons, rifles, and flags the girls added color and excitement to our home games. In co-ordination with the other performing groups the girls perform complicated routines and formations. This year's Homecoming was highlighted by a spectacular display that included the traditional flaming batons. Honor Guard, Banner Girls, and Majorettes were again under the advisorship of Mr. Phil Perales.

The Drill Team . . .

Is a group of thirty-three girls who represent Rancho at various halftime shows and parades, including the annual Strawberry Festival Parade.

Through contributions from the Booster Club, the P.T.A., and the Associated Student Body, the Drill Team was able to purchase new uniforms. The new uniforms did much to improve appearance and moral in the team.

The captains are responsible for working with the advisor to design and teach new routines to the other members. This year's captains were Karen Gasser and Jean George.

Marching Band

This year the Marching Band has enlivened half-time activities. Under the instruction of Mr. Perales with Larry Padilla as drum major, the band had a good showing this year. Marching Band gave an exceptionally good performance at Rancho's bicentennial homecoming show. During the year Marching Band held a march-a-thon to raise money for new instruments. They also raised money by selling candy sticks. This year as every year, the Marching Band will be in the Strawberry Festival parade and other local parades.

A.S.B.

This year's A.S.B. cabinet was an active one. With a wide variety and cross section of officers, hardly any issues were missed which came under the heading of student activities. The A.S.B. did almost everything in the way of activities. From Homecoming to Graduation decorations; from introducing legislation to warm fuzzies. It was very seldom when A.S.B. passed something by. A.S.B. President Kevin Araki, had a hard task. Besides running all the activities he worked with the administration, cabinet and the student body as well as having his own personal activities and classes. A.S.B. Vice-President Sylvia Fielder had many successful projects such as the A.S.B. Election Convention. A.S.B. Secretary Lisa Cross was the official record keeper at all of our meetings, and will be A.S.B. President for 1976-77. Activities commissioner Scott Graham was in charge of all dances and activities, along with Homecoming '75. Assemblies commissioner Debbie Allen was in charge of all Pep Assemblies and Rallies. She was also president of C.A.S.C. Service Commissioner Vanessa Mott was in charge of all the canned food drives and was responsible for the Faculty Luncheon which the A.S.B. sponsored. Athletics commissioner Jack Glasser was responsible for all the sports events at Rancho. Publicity Commissioner Doug Cosgro was in charge of all general publicity for the Rancho campus and he was well noted for his warm fuzzy spree. Parliamentarian Cheryl Hauenstien worked hard on every activity and was in charge of Rancho's Accreditation Program. Once again A.S.B. has proven to be successful for the first semester of the '75 year.

A.S.B.

The second semester A.S.B. really got things going! One of the high points of the semester was involvement day. The students selected speakers to listen to chosen from a wide range of subject. Other activities arranged during the second semester were an hypnotist show, dance assemblies. Also A.S.B. tried very hard to have a designated smoking area. As always A.S.B. was trying for more student rights, and total student involvement.

Student Council

This has been a very great year for Rancho's 1975-1976 Student Council. We started off the school year by electing four new term officers and 12 exciting representatives from each class. The Student Council has been involved in various school activities such as football games, pep assemblies, Homecoming, candy sales, school rules, and promoting new school spirit and leadership. The Student Council meetings are held usually once a month or more depending on the scheduled activities. The Council has worked hard this year and accomplished many of their goals together.

Girl of the Month

Each month Girls' League has nominations for Girl of the Month. The students nominate a girl of their choice whom they believe deserves the award. After being nominated the girls are judged by the Girls' League Board. The Board judges on appearance, and how the girl serves the school and community. After being judged an upper-classman, and an underclassman are chosen.

Scholarship Club

Rancho's Scholarship Club is affiliated with the California Scholarship Federation, a state organization dedicated to rewarding students who achieve high grades while taking mostly academic classes. To be a member, a student must earn 10 points. An "A" counts 3 points, and a "B" counts 1 point. The P.E. grade is not counted and any "D" or "F" disqualifies. 7 of the 10 points must be in academic classes. Students who qualify for membership 4 semesters with at least 1 semester during the senior year become Sealbearers. Sealbearers get a gold seal on their diplomas, and wear a gold stole at graduation to emphasize their outstanding achievement.

The 75-76 school year has been a very busy one for the Keywanette Club. They began the year by hosting two dinner banquets and participating in small community projects. The major fling of the year was the annual Christmas Program for eighty foster children of Orange County. They had a very enjoyable pizza dinner and night on the town in February with the G.G.H.S. Keywanette Club. The funds increased in March when they sold pickles for the St. Patrick's Day and stationery. They sponsored an Easter Party for the Orange County Orphanage, including everything from an easter-egg hunt to the Easter Bunny. They tied up the year with a banquet where they honored newly installed officers. They all agree it was a very successful year with Donna Ralls as President, and they would like to thank the officers and members for their participation in making this year one of the best.

International Friendship Club . . .

International Friendship Club is designed to further understanding between different cultures. This year there are two foreign exchange students at Rancho, Veronica Alliende Leiva of Chile and Yara Fernando of Brazil. Cindy Krisman has been selected to live with a foreign family this summer. An innovation in our club activities this year is our monthly potluck and presentation based on another country's lifestyle. So far this has included Italy, Belgium, Norway, Spain, and Portugal. The biggest event of the year as in the past, was Foreign Exchange Day. 2 panels of foreign students from across Orange County and classes will be invited for a discussion each period. Mrs. Sartor was the Advisor and Karen Wyatt was the President.

Thespian Troop #1801

Thespian Troop 1801 of Rancho Alamitos consists of active students from the drama class. Among their activities were an initiation, and a Halloween costume party to welcome the new incoming drama students. They also sponsored the Doctor Seuss Troop. To provide funds for the troop, they sold bagels. However most of their efforts went into remodeling the drama room into a flexible stage theatre.

2)

Spirit and Pride

The Spirit and Pride Club at Rancho Alamitos is designed to be a basis of spirit and student support for the school. The club meets several times a month to plan activities. This year some that were included were: a booster section at the football games, banner painting for the teams and sales on campus. They also planned green and gold days when the members wore their club T-shirts and special school decoration days.

Freshman Registration

This year's Freshman class was the first ever to experience the enjoyment of pre-registering for their second semester classes. From the moment that Mr. Costello opened the door and the first group of Freshmen casually strolled in to pre-register, the Freshmen were baptized into a ceremony that is carried out in high school as well as College.

Everywhere you looked cheerful faces could be seen. Some were curious. Questions such as who's Mr. Stake? What's open third period? and how do I get into an Art class were heard. Finally it was over, and hundreds of Freshmen now much wiser looked forward to the coming semester and the years of registration that lay before them.

Speech Club

The Speech Club put in an exciting year, they participated in a Christmas poem writing contest, a Valentine's singing speechgram sale, and a sucker selling contest.

The Speech Club was formed to allow students with an interest in public speaking to meet and discuss subjects that they share in common. Headed by an experienced speaker, Mr.

Lawrence, the members learned much about the art of communication.

1) The Speech Club officers were:

President - Mike Sperry

Ski Club

Rancho Ski Club was reborn this year under the direction of Mr. Surek. Three major trips were offered during the school year; Salt Lake City, Jackson Hole and Steamboat Colorado. Also two week-end trips to Mammoth were taken. Rancho's Club was combined with Pacifica High School Ski Club on all the trips.

Increased membership and more exciting trips were the major goals of the club.

Art Club

For the second year, the Art Club has proven to be one of our most successful clubs. It started off to be a good year. In October they brought back their successful Halloween face painting, this was followed by a Christmas Art Sale. The money made from these activities goes toward field trips and other activities for the members during the school year.

Girls' Sports Society . . .

Membership is open to all girls attending Rancho Alamitos High School. Each member must hold a current A.S.B. card and shall pay dues of 50¢ per school year. This year we have 105 paid members. Unfortunately only approx. 45% are actively involved in our club. The G.S.S. officers have just recently gone through a shake-up. Our New Officers are: Pres., Sylvia Fielder, V.P., Sheila Prue, Sec., Dixie Witteveen, Treas., Liz Whittaker, Hist., Vanessa Mott, Publicity, Linda Perry, Spts. Coord., Anna Marie Ramos, Asst. Pub., Pam Selley and Pam Kill. Pam Kill also does the duties of Board Member at Large. The Advisor is Miss Vicki Kopecky.

This year G.S.S. has been involved in the following activities: Sept. Picnic, Halloween Party and Insurance Sale, Nov. Potluck, Donkey Basketball ticket sale, Pancake Breakfast ticket sale, Dec. Candy Sale, Booster Tag sales and Jan. Snow/Mt. Trip. Upcoming events range from our Feb. Awards Dessert, proposed Intermural Sports Program, a Spring Awards Banquet and the promotion of letter sweaters for the female athletes at Rancho. We hold general meetings every Wednesday during lunch. The purpose of these meetings is to inform the members of the monthly activities and to form committees, etc. We also hold monthly board meetings.

The purpose of G.S.S., as stated in our constitution is: to promote involvement in girls' sports activities, to emphasize the social and educational as well as physical values of sports, to promote the development of school pride and spirit, to be of service to Rancho Alamitos High School and to further sportsmanship.

Art Department

The Art Department is the place to go for exciting creative experiences. It's the place where students discover the thrill and enjoyment of creating their own unique and personal works of art. It's hard work, but it's fun and the rewards are beautiful and lasting.

A Popular Class . . .

among Rancho students was Horticulture. Students learned to plant, feed, prune, and care for all types of plants. They also learned how to use different kinds of lawn and garden power tools. An important piece of equipment used in the class is a hothouse used for growing plants which require a warmer climate. Rancho is very lucky to have a Horticulture department. Very few high schools in the district have this program.

English Department

Composition, Literature, Speech, Creative Writing, and Reading are just a few of the many courses offered by our English department. The department consists of fifteen teachers giving one to five classes a day. There are approximately eight-hundred students enrolled in these courses. Freshmen and sophomores are required to take composition I and II, and literature I and II. The remainder of the English courses are electives.

Foreign Language Department

The Foreign Language Departments are made up of four different languages, French, German, Latin, and Spanish. During the first two years the students learn the basics of their chosen language. The advanced classes are designed to enable the students to speak fluently in his language. All foreign language classes are electives.

The Science Department

at Rancho offers a wide variety of knowledge and facilities to interested students. Practical skill in lab techniques and problem solving can be obtained in any of the fields available. More specialized skills are usually necessary for the advanced courses. A prerequisite of the basic classes provides the required background needed in the more difficult areas.

History

The history classes here at Rancho cover not only the required classes, but also classes for almost any interest. These classes are taught in such a way that we learn, not only about the past, but the future as well.

Business Department

One of the most essential departments is the Business department. It offers many valuable classes necessary if you plan to go on in the business world. The types of classes offered at Rancho are Typing, Shorthand, Notehand, Business Machines, Bookkeeping, Clerical Recordkeeping, General Business, and Office Practice. These classes have proven to be highly successful.

Home Economics

In the Home Economics Department, both boys and girls enjoy a variety of practical experiences in the food preparation, clothing construction, and home crafts, as well as learn important information on nutrition and getting your money's worth in purchasing and caring for food and clothing.

Food classes are open to beginners as well as the experienced, and a variety of delicious baked goods and well-balanced meals are prepared in the course of a semester. Special occasions and holidays are celebrated with additional fun projects.

In clothing you can learn to make a simple top, shirt, skirt, pants, or even a tailored winter coat or spring formal. Are "T" shirts your thing? "Sewing with knits" is for you, then. Home Crafts will teach you everything you need to know to begin to crochet, knit, and quilt.

Physical Education . . .

this year had a larger selection of activities to choose from. For girls there was:

Basketball	Soccer
Softball	Swimming
Volleyball	Bowling
Football	Field Hockey
Handball	Gymnastics
Tennis	Yoga and Modern Dance
Archery	Physical Fitness
Badminton	Backpacking
Track	Karate

For boys there was:

Basketball	Karate
Baseball	Bowling
Volleyball	Field Hockey
Football	Archery
Handball	Physical Fitness
Tennis	Backpacking
Badminton	Waterpolo
Track	Wrestling
Soccer	Weightlifting

Some of these sports are co-ed where both girls and boys participate.

Bombardment is a well liked sport.

Weight lifting is popular with the guys.

Rancho Alamitos . . .

woodworking program has increased an estimated 25% in the past 2 years. Much of this was due to the money charge made in the wood program. New equipment has aided our program, but they've been growing so fast that they need more room. Vocational woodworking classes were also offered. Many interesting projects were under construction such as: china cabinets, stereo cabinets, coffee tables, wall plasters, and book cases. The Rancho Alamitos drafting classes were involved in making working drawings of mechanical parts, architectural dwellings, plan sets, and architectural and engineering models. The Rancho Alamitos auto and small engine classes were studying in the engine and transmission areas. They were taking each part and understanding what it does and how it fits into the whole picture. After an oral test on the engine and transmission where each student explained how the transmission worked, they showed each move of each gear etc. By the time they have gone through all of this they were ready to actually start tearing into a real transmission and see what it was like. The Rancho Alamitos fiberglass and plastics class was the newest vocational education class at Rancho. It has hit the campus like wildfire, all during the year there seemed to be a large range of projects being worked on; everything from toothbrush holders to skateboards, from encapsulated insects to boats and an array of decoupages. The class was offered by Mr. Turner.

Math Department

Knowledge of math is an important part of everyone's life and Rancho's math department had something for everyone's needs. From Calculus to Proficiency Math courses were offered to help the students meet the graduation requirements and prepare themselves for the future.

Drama Department

The drama dept. consists of the usual drama I, II, III, IV, performing their school plays and doing short plays for the English Classes, also reading short plays and trying to improve their acting ability. Another part of Drama is the stage production class. This class is only 3rd period and you must audition in front of Ms. Flagg and judges to get into the class. This class will be performing Dr. Seuss tales for the elementary school students, and also for the Jr. High School students too. The reason the drama department has been so successful in the past, is due to student involvement and we hope to continue having a large turnout.

The Work Experience . . .

program at Rancho was designed to provide students with on-the-job experiences and training so that upon graduation they have some saleable skills which will benefit them in the job market.

The general vocational programs were available to students sixteen years of age and over. Students enrolled received both pay and credit while performing daily work assignments for a business in the community. Additional related instructions were given once each week which was designed to broaden the student's knowledge of the world of work.

The exploratory program was available to students fourteen years of age and over. This program provided students with the opportunity to investigate various professions so that they could make a more intelligent career choice upon graduation. Credit was received for enrollment in this class.

There were approximately two hundred students enrolled in the program. However, the indications were that as many as seven or eight hundred would have been enrolled if adequate staffing was available.

Co-Ed Bowling . . .

This year was highly successful, with 16 boys and 42 girls. Miss Tommye Kepley was the coach. Pam Carroll was the top bowler, going on to district finals with 9 other girls. Bowling was not a C.I.F. sport, but a league sport within the school.

Rancho's Bowling Team

Although the Loss . . .

of 1975 League Championships was a great disappointment for the Varsity Cross-Country team, it must be remembered that the team has been League Champs the last five years.

The team finished a successful dual meet season, the proud owners of a 5-1 record after a narrow 27-29 loss to La Quinta.

The team is dominated by a group of five seniors who won the Mission Viejo Invitational.

Throughout the year the team has been led by the talented twins, Tim and Tom Becker, who contributed 9:45 and 9:46 two-mile clockings to that Invitational win. Tom Randle has been a consistent 3rd man with Steve Neely and Bill Goeke filling out the top five. Two sophomores and two freshmen also found their way on the Varsity team with some consistency. Harold Besaw and Scott Shipley with Kenny Vargas and

Steve Martinez have all made a major contribution to the team's outstanding season.

Following the Tradition

• • •

of the past five years the J.V. cross-country team finished a perfect season of 9 wins and no losses to win the dual meet championships of the Garden Grove League. The team was led throughout by senior Steve Besaw who won all of his races at Mile Square Park. Steve used the backing of several other outstanding distance runners to earn the undefeated season. Gary Wells, Perry Vanderhout, John Leeder and Lonnie Pyle were instrumental through the season as they each contributed their running talents to a team that was not seriously challenged all year.

Rancho's Freshman

• • •

cross-country teams have always finished among the top three teams in the Garden Grove League. This year has been no exception as our group of young runners raced unbeaten through eight opponents this year. Taking advantage of exceptional talent from Kenny Vargas and Steve Martinez this team has earned tournament trophies on three occasions, with a victory in the Mission Viejo Invitational. Backing up Kenny and Steve was a group of young runners who will make our varsity teams of the future as strong as those in the past. Those runners include Tino Riveron, Frank Riley, Kurt Gasser, Jeff Eggleston, Roger Riley, Jim Trubey and Steve Irwin.

Rancho's Varsity Football Team

anticipated a successful season this year in spite of the strong competition in the Garden Grove League. However many elements offset the high hopes of the Vaqueros. Fifteen of the Vaquero's starters were sidelined for part of the season due to injuries. Forty-one times during the season, the Vaqs turned the ball over to their opponents. The result was the most unsuccessful season that Rancho has had since 1963 when they were 1 and 8.

Rancho's one bright spot of the season was their 19-16 win over arch-rival, Garden Grove. The Argos eventually won the league title and advanced farther in the C.I.F. playoffs than any other team in the history of the Garden Grove League.

Members of the Vaquero 1975 Varsity team were honored by the league for their outstanding performances. Russ Buenafe, the team captain, was selected as defensive back on the first team all league. Brian Case, Rancho's most valuable player, was selected on the second team all league. Honorable mention was awarded to Joe Parsons as defensive end and Chris Radke as offensive receiver. The Rancho coaching staff honored Jeff Pettit as the recipient of the 100% award. The most improved player selected by team members and coaches was Kevin Jeffries.

The Vaqueros will return twenty lettermen for next year's "Hawaii-bound" team. Rancho's student body and faculty support next year's team to work toward Rancho success and supremacy.

Sophomore Football

The outlook at the start of the season for Rancho's Sophomore football team was very promising. But, in the first game eight starters were injured, significantly hampering our team's ability. The season's record was 2-6. Although the sophomores didn't do too well they beat undefeated Santiago 24-0. Don Buenafe did an excellent job of quarterbacking, with help from Pete Delduca as shotback and defensive back and offensive and defensive tackle Luis Ambrose. Most Valuable - Pete Delduca, Most Improved - Brian Aratan, Most Inspirational - Don Koerner, Team Captain - Luis Ambrose, 100% - Charles Madic.

Freshman Football Team

had a very successful season. A league record of 3-2-1 gave the Vaqueros a third place in the Garden Grove League Standings. The football members improved immensely as the season progressed and ended up the season with the trouncing of La Quinta 48 to 24.

The stalwart defense throughout the year was anchored by Allyn Gatlin, Barry Faulkner, Ruben Aguilera, Pat Dowling, Randy Harris, Steve Kottke, Mike Ralph, Tim Moore, Eugene Geib, Mike Brooks, and Rick Casas. An explosive offense, which proved they could pull off the big play, was manned by Mike Brooks (most valuable), Rick Casas (100%), Mike Ralph (team captain), John Hedrick (most inspirational), Steve Kottke (coaches award), Barry Faulkner, John Mahoney, Ruben Aguilera, and John Saich. Most improved player went to John Nishimoto.

With the talent these young men displayed, as well as their winning attitude, they will be an asset to the Rancho Alamitos Football Program in the future.

Rancho's Spectacular

Rancho's spectacular eighteenth homecoming was in anticipation of America's two hundredth birthday celebration and was appropriately named "The Bicentennial Spirit." The half time festivity was complimented by Carol Ulviden's pride, the Rancho choir singing America the Beautiful, while the band played melody as Phil Perales directed. The flag girls and the drill team, dressed in theme setting, red, white and blue, also added to the night's excitement!

As the princesses drove through the goal posts - ooohs and aaahs were heard all around the stadium, partly because of the princesses' beauty and partly because the stadium suddenly became illuminated by multi-colored fireworks. The show, perfectly co-ordinated in theme, music and atmosphere came to its climax . . . through the loudspeakers came the words "and the nineteen-seventy five - seventy six homecoming queen is . . ." silence stunned the stadium, as the spectators eagerly waited for the name, but the announcer did not need to speak again for a bright sign lighted up the name, "Susan Roberts!" A multitude of fireworks then shot through the air as the glorious spectacle came to an end.

Sue Bezirjian gives her crown up to Susan Roberts for 1975-76.

Mr. Callard in a quick discussion with the varsity team during the homecoming game.

The flag girls were also present for the occasion and lined up in order, under direction they made a pathway for the oncoming princesses.

Here we were able to capture a picture of Susan when she saw her name up in lights.

Varsity Baseball

The return of many varsity players this year along with hard work and lots of practice help to make this year's team one of Rancho's best. Headed by Coach Mesa, the team is expected to do well in league competition.

- 1) Rusty Denton flipping the ball to Jack Jernigan, Jeff Hutchings backs up the play.
- 2) Returning battery mates; Dave Will, Joe Parsons, and Mike Lauzon.
- 3) Jeff Hutchings and Rusty Denton going after a fly ball.

3)

Girls Tennis

Varsity had a rough time this year and finished in a tie for 5th place.

Outstanding performances in singles were turned in by Lynn Morrow and Julia Pate. In doubles the team was led by Anna Marie Ramos and Pam Selley.

Coach McNeil is looking forward to the return of many of the Varsity players.

Lynn Morrow, Julie Pate, Pam Selley, Anna Marie Ramos, Karen Gasser and Liz Whittaker represented Rancho in the District singles and doubles tournament which was held at the end of the season.

4)

Varsity Gymnastics

Although many of the varsity members graduated last year, the returning veterans along with some talented newcomers helped to build a strong team. It takes a great deal of agility, co-ordination, and strength to compete in gymnastics. These traits can be gained only through practice. Most of the girls work out during the off season every day to keep in shape. Even more time in practice is required as the season draws near. The leader of the gymnasts is Coach Steel, who donates much of her free time to coaching the girls.

Girls Volleyball

The 1975 volleyball season proved to be an interesting and challenging one for both players and coaches. The varsity team was represented by at least one person from each class, and this was the first year they played together. The girls had to perfect their skills and learn to work together as a team, at the same time that they were competing. These handicaps did not discourage them, however. All three teams remained at full strength throughout the season with six starters plus three or four substitutes per team.

Varsity Basketball

This is expected to be an exciting year for the Varsity Basketball team, with one of the best squads starting well in the beginning of the season. Headed by Coach DeLong, the team consists of: (see team picture) Guy Hempel, Greg Stedman, Jack McMahon, Dave Wear, Chris Radke, Mike Sperry, Bill Price (kneeling) Phil Ripa, Joe Nemeth, Frank Camou, and Mike Whiting. The team is expected to do well in the league and hopefully enter C.I.F.

Rancho's J.V. . . .

basketball team enjoyed a good season this year. The team got excellent rebounding from their front line of center Dave Durry, center Don Fielder, Forward Jeff Hutchings, and forward Todd Ripa. This rebounding and the hot shooting of Jeff Hutchings, Todd Ripa, and Mike Marlow could lead to a championship next year.

Mike Marlow and Jeff Hutchings share the duties of captain and are the only two returning Lettermen from last year, the other seven having played Sophomore Basketball last year.

The rest of the team is made up of Brad Vick (forward) Scott Vick (guard), Steve Abbot (guard), and Matt Hirschler (guard).

The Vaquero Sophomores . . .

worked hard while hoping for a successful season. Team Captain Dave Neeley took care of the ball handling chores and led the attack, while Rich Anderson and Chris O'Neill led the team in scoring. Outstanding rebounding by Ron Gielow, Rich Anderson, and Jim Dufault was consistent throughout the season, while good defense and all around team play by Carlos Penate, Mark Scharlin, Andre Mendoza, Robert Perry, Kevin Voegtly, and Donn Buenafe played an important role in the team's success.

The Vaquero Freshman

basketball team made considerable progress from the beginning of the year, led by the scoring of Stanley Vasquez and Barry Faulkner, and the good defense and rebounding by Frank Sabet, Pat Dowling, Bobby DeFransico, and Dave Franco, and with a strong bench of Mike Brooks, Kevin Starnes, Dave Bjorkland, John Borrego, Troy Sacco, Chris Chavez, and Ronnie Byrd, the Vaqueros continued their success throughout the remainder of the season.

The Vaquero Varsity

• • •

water polo team was one of the finest in years finishing in second place in the Garden Grove League with a 5-1 record. The only loss was to Garden Grove 13-12 in sudden death. This was also the first time since 1967 that Rancho made the C.I.F. playoffs. Rancho played many 4A schools during the season and still ended up with an 11-7 record. They only lost to one 3A division school the entire year.

The team was led by juniors Byron Sims and Mark Maurer, who provided most of the offense. The team also had two sophomore starters in Brian Sims and goalie John Levesque. The nucleus of the team was comprised of seniors Tom Gay, Kip O'Neill, Stitch Siems, Cam Siems, Henry Ishii, and Mike Dufault. Also contributing tremendously were juniors David Crain and Lance Fryer. With many players returning, the Vaqueros should be strong again next year. 3)

year was comprised of 11 juniors and 2 sophomores. Their pre-league record was 5 wins, 2 losses.

The pitching staff included Steve Strong, Don Fielder and Mark Waller. The infield was comprised of Steve Strong and Don Fielder at first base; Kevin Kay and Brian Rubringer at second base; Larry Buckley was shortstop; and Donn Buenafe and Mike Evers manned third base.

In the outfield they had three juniors; Mike McMahon, Gerard Grenier and Bill Large. The catching chores were divided between Mitch Mason and Mark Smith. Coach Johnson had an assistant working with him this year, Ed Soapes, who handled all the pitchers.

Wrestling

This year's turnout was very light and the Frosh-Soph team had to forfeit several weights. At the tournaments they did quite well and next year, with most of the wrestlers being underclassmen, they should have a very strong team.

This year's varsity included Allen Keefe, Mark Dovico, Greg Dapper, Joe Marshall, Steve Keefe, Mike Dapper, Jim McGuire, Scott Hostetter, Captain Jim Simons, Bill Wright, John Rell.

Boys' Swimming

The 1976 Rancho Alamitos Swim Team not only dominated the Garden Grove League, but also proved to be one of the top teams in the CIF. The team had two World Class Swimmers this year. They were: Henry Ishii and Byron Sims. Both were CIF Champions. A couple of real highlights were setting a CIF record in the Breaststroke Relay; where over 80 schools competed, and we remained on top, winning every event at The Garden Grove League Relays. Kip O'Neill, Tom Gay, Stitch Siems, Cam Siems, and Henry Ishii are this year's seniors that were competing on the team for their last time.

The Girls' Basketball . . .

season got off to a slow start this year. But with shooting talents like Lynn Morrow, Mel McLean and Joyce Rice; quick defensive work from Brenda Saunders and Jo Jaramillo and high rebounders like Kim Radke, Rancho's girls' Basketball team wasn't held down long. Miss Kopecky, the Varsity coach expected many good things from her team as did Miss Kepley of the Junior Varsity team.

back over 40 returning girls out of 90 girls on the team. C.I.F. hopefuls this year were: Pam Selley, Lori Bridgers, Crystal Nootbaar, Cindy Dille, Candy Grabe, Pam Maurer, Jackie Coppola, and Allison Rogers. Since the Rancho Swim Team has gone to C.I.F. for the last eight years, the coaches are well acquainted with the skills necessary to produce a winning team. This year's coaches were: Mary Richards, Varsity Head Coach, Sue Gori, Varsity-JV Coach, and Frannie Mott, Team Manager.

Rancho's Varsity Track . . .

team was loaded with talent in 1976. The team was led by two defending league champions from 1975: Steve Besaw with a 1:58.7 half-mile to his credit, and Mike Moore, a pole vaulter who placed 2nd in the CIF Championships last year at 13-4. The team was well balanced with several strong events. Ron Baker was the strongest sprinter, recording a 10.2 100 yard dash and a 51.2 440. Ron Fitch was the 220 leader at 23.7. The distance events were handled by Tim and Tom Becker. The hurdle team was especially strong with Tom Batok in the 120 highs and Bill Mabie in the 330 lows. The discus was R.A.'s best field event with three men over 140 feet: Chris Radke, Steve Bolton, and Joe Dudevoir.

The R.A. Sophomore . . .

track team was one of the strongest ever. After winning the freshman championship in 1975 almost all the team members returned for another successful year. The team was headed by four standouts who scored points for the varsity squad. Lonnie Pyle had a 2:05.2 880, while Bill Bruton had 2:06.0 and competed in the mile relay. Scott Shipley doubled in the mile, at 4:41.6, and the two mile, at 10:08.0, with Harold Besaw close behind. Newcomer Jack Galloway scored impressive wins in the sprints, while Gary Wells (330 lows) and Wade Schoenemann (120 highs) were consistant winners in the hurdles. John Leeder ran a winning distance double in early season meets while Pat Boles handled the middle-distance and relays. Danny Becker led the discus with 121-0.

The Newest Addition . . .

to Rancho's fine athletic program this year was soccer. Our Soccer team got off to a late start for their first season as a CIF team, they did not play in an established league but played as an independent team. Playing as an independent they faced many fine teams in the area, including Santa Ana Valley, Western, and Pacifica, the latter two of which Rancho Alamitos surprised excellent offensive and defensive play. Under the superb coaching of Bruce Turner, the Vaquero's soccer team did fantastic!

This Year's Dance Group

was really on its toes. In the first semester they got in shape, with plenty of exercise and technique lessons. A group of girls was selected to dance at the co-ed fashion show in February. These girls were Jan Allen, Holly Bender, Denise Deluca, Lisa Silk, and Theresa Strite. The last semester of the year the group was getting ready for their show in April. The dance group believes the focus should be on the dance, not on the individual dancer. The theme of the show this year was "Shapes and Shadows." The Advisor, Mrs. Steele, and the girls chose three dancers from the group to choreograph the dances. Carol Burge was chosen to choreograph the ballet; Theresa Strite, the abstract; and Vicki Trujillo, the jazz. Melinda Rios did a solo, and Mrs. Steele worked on a group dance in which all of the girls participated. This year they not only had girls but three young men in their dance group: Steve Besaw, Steve Bermudez, and Tom Randle. With the guidance and supervision of Mrs. Steele, the dance group had an excellent year.

Following in the Tradition

of past Rancho golf teams, the 1975-76 Vaquero team made its presence felt. This year's team was bolstered by five returning lettermen. Leading the team were Seniors: Tom Vanquez, Bob Egglehoff, and Steve Brown, with pressure being applied by juniors: Mike Doyel, Tom Layton, and John Phelp. Only four or five shots separated all six players and this gave Rancho a very balanced team. The 1975-76 golf coaches, Mr. Burns and Mr. Osborne, gave the team much support and assistance.

Varsity Volleyball

Rancho's 1976 Volleyball Teams were a combination that's difficult to beat. The varsity was composed primarily of experienced and talented seniors who are working hard to make this our most successful season yet. Mike Whiting, Kevin Araki, and Perry Smith handled most of the passing chores, while Dave Wear, Phil and Todd Ripa, and Rick Anderson did a lot of spiking. Scott Graham and Mike Page add good defensive play.

The junior varsity was mostly underclassmen striving to follow the traditions set by the varsity. Frank Sabot, Stan Vasquez, Mark Sands, Berry Faulkner, and Craig Anderson, along with Dana Swartz, Tim Moore, and Rick Shaffer were some of the many promising freshmen on the squad. Mike Mead, Pat Fitzgerald, and Jim Dufault added experience and leadership to the

4) team.

Girls' Badminton

This year's Badminton Team was expected to be large, with many outstanding returning players that have had the experience of competing for Rancho's Badminton Team in the previous years. It was also expected said Coach Kepley "that the team will do even better than last year's team that went to the finals." Coach Kepley said she believed they would take at least two of the four District positions. They also had many good newcomers that were very interested in participating this year.

Christi Wagenbach was selected for this award because of her exceptional academic and athletic accomplishments. Christi was a Scholar of the Year in her Freshman year and a Scholar of the Quarter every year after that. She was also involved in student government as a Student Council Representative for two years and as a Senior Advisory member this year. An active member of the G.A.A., Christi participated in Girl's Tennis and Gymnastics. After being chosen for the Presidential Classroom, Christi was one of the students who had the opportunity to visit Washington D.C. to see our government in action. Miss Wagenbach likes music and backpacking and hopes to study medicine after graduation.

Kevin Araki has a consistent record of involvement in activities at Rancho. He was a Scholar of the Quarter every year in addition to being a Scholar of the Year. As a Student Council member in his Freshman and Sophomore years, Kevin set the groundwork for being Junior Class President and A.S.B. President. Kevin likes all sports but was mainly involved in Track, Volleyball, and Football. Kevin was a member of the Presidential Classroom along with his many other activities. As A.S.B. President Kevin had a hand in almost all of the student projects on campus. Kevin likes art and traveling and plans on a career in communications.

students spent one week in Washington D.C. touring the Capitol and listening to lectures. A Presidential Classroom for Young Americans is a program offered to juniors and seniors. This program is a nationwide classroom in which the students are able to meet other people from all over the United States. The program also includes seeing such sights as the Washington Monument, the White House, Smithsonian Institute, the Pentagon, the Senate and the Capitol Building. The students were able to listen to wellknown military leaders, Senators and the Supreme Court Justice who explained the functions of their positions and answered student questions.

Coed

Just You And Me . . .

was this year's theme for the traditional Coed dance. It was well organized by the members of Girls League. This year's Coed dance was held at the Newport Sheraton Hotel in the Brazilia Room. The name of the band was Jason. Craig Bovberg was crowned this year's Coed King. The other candidates were; Russ Beunafe, Jack Glasser, Phil Pierce, Dave Wear, Mike Whiting, Brian Case, Mike Charmonte, Dennis Jiminez, Kip O'Neil, Henry Ishi, Kevin Araki, Guy Hemple. Every couple who attended will remember the good times shared that night; and the many more times to come just like it.

VOICE INSIDE

As I walked into the house I heard somebody calling.

"Hey! Hey you!" I looked all around, then thought to myself, "I'm going crazy." I knew nobody else was home.

"Down here on the floor." when I looked down I realized my brother's levis were talking. "Now listen! I have been quiet long enough. I have to get something off my pockets." All I could do was take the nearest seat.

"My name is Lee, and today is my birthday. Do you realize I am three years old? Yep, I've been living with your brother for three years. Believe me it hasn't been easy. Being a pair of levis is a rough job. Keith always forgets to wash me - sometimes I get washed once a month. And I really hate it when Keith goes to all those stupid parties. He has to act big, spilling beer and wine on me. I hate beer and wine. I'd rather have mixed drinks. When it's around twelve o'clock, the party is going strong, the music loud enough to make the walls shake, and me - I'm wet from waistline to cuffline, drunker than a skunk. About this time Keith has to go outside into the cold air so he can look at his friends' motorcycles. As they fiddle with the greasy parts, Keith sits in the dirt which turns into mud as soon as it touches me. Then Keith always wipes his black hands on me. It is very difficult to breathe with all that gunk filling my pores.

"About three or four o'clock, we get up to go home. And like every other night, I'm thrown on the floor. By this time I'm so exhausted, I want a good night's sleep. Instead, the dog comes running in, and plunk, he lies on me. That wouldn't be so bad except he scratches all night long, and throws all his fleas on me!

"Sorry for bothering you, but I just had to tell somebody why I look so old and worn out."

As Lee said this, Keith walked into the room and picked his levis up. As I turned to leave the room, I heard Lee whisper, "If there is any truth to reincarnation, in my next life I think I will be a motorcycle. Everybody takes care of them."

BEFORE THE RACE

The warm protective cloth
covering completely
is gone now.

The wind and dark clouds,
bitter cold,
stab and slap my almost naked skin
the sweat freezes and dries
I breathe hard.

A leaf falls from a nearby branch.
The breeze grabs it with its icy palms
and throws it toward the lake.
Small ripples
white-capped and flowing
receive the dead leaf
and send it sailing past a duck -
the bird looks so comfortable,
warm and content.

I can hear my heart now
it is in rhythm with my foot steps.
Unbearable,
the tension rips and tears my inner organs
while the wind whips my back.

Into the group I migrate
the grass scraped dry
hidden softness by the river of air
yet underneath, the hints of hidden moisture.

It's warm here in the pack,
all breathing hard,
white mist hanging from the breath,
Restless,
everyone moving about.

The outside voices hush.
Even the wind calms
the group freezes,
everyone leans forward as far as possible
every inch counts.

A command.
I close my eyes and talk to someone I barely understand.

He is close to me now.
I open my eyes
my fear is gone
the cold is gone
my mind is blank
the lasting instant of waiting.

It's over now
with the sharp terrifying signal the mob moves.
The waiting is finally over.

Tornado

The old grey barn
sleeps soundly in the night.
Unnoticed is the subtle arrival
of the murderous clouds.
A sudden roar breaks the tranquility of slumber
As the wretched funnel-shaped cloud appears
on the horizon.
Ringing in my ears is the sound
of wood being ripped from its foundations
like arms and legs
wrenched from their sockets.
It lasts only a minute, or half.
The funnel's work is done.
It left its mark behind.
The old grey barn will sleep
no more.

Self

Beside the fire I read my book
 Within a world my own.
 And as I lean back in this nook,
 I dream of things I've known;
 Of friends I had,
 Of facts I learned,
 Of gifts received,
 Of things I earned.
 Oh, of this lonely world I'm in,
 You'll probably never know.
 To me it seems I never win.
 I never really grow.
 But stay as I have always been,
 A seed that wasn't sown.

MOODY SKIES

Clouds part overhead.
The sun shines through
For only a moment
Then the clouds fuse.
The sky, crowded with clouds,
Thick, silver, dark complexioned.
Asks the wind for consolation
Not knowing how to guide the
Golden, heating rays through its congestion.
Frustrated and bewildered, the sky
Cries out in a bellow of rain
Heaving its load and answering
Its own quest to shine and be seen.

The Tree

I looked at the tree.
Darkened shells of once living acorns
lie in an island of dark shade
Surrounded by milky yellow light
as if seen through sleep-filled eyes.

The grass I sit on is a deep cushiony green,
still bearing traces of the cool dewy night.

I look at the tree itself:

A muddy, well-water brown.
Living, thriving, blemished with intricate valleys,
each a disunited world in itself.
filled with the constituents of a different life,
insects.

I look up, up, this lone citadel Towers above all else.
My eye's gaze reveals mighty branches to me.
The wind rustles the leaves.

Down at its base a tiny ground squirrel,
shades of iridescent browns and golds his fur,
scurries away toward a rendezvous with fellow chipmunks.

As I lean back and close my eyes,
the countryside is endowed with the carolling of the birds.
I listen, and peace overwhelms me.
The burning sun has set. Day is done.

At the same time, the Commission is also aware of the fact that the Commission is not a body that can be used to settle disputes between the Commission and the Commission.

Kurt
It's really
been nice know-
ing you this year.
I'm glad that Karen
has such a nice brother.
Hope you like Rancho. Have a
great summer, maybe I'll see
you sometime. Bye & Good luck
Love
Laurie
